OUR PRODUCTS

Spacer
Smart hospitality and workspace management platform. Automates bookings, payments, smart lock access codes, and real-time occupancy dashboards. Deployed at multiple properties managing 500+ bookings monthly.
Key: Eliminates revenue leaks and booking chaos with one centralized system
spacer.so

Pledged
Church-branded recurring giving platform where churchgoers set it up themselves. Funds settle directly to church bank accounts via Paystack subaccounts. Members can pause, adjust, or cancel anytime.
Key: Converts sporadic giving into predictable recurring church income
autogiving.ng

DeepThread
AI-powered cross-platform context engine. Generates instant standups and handoff documents from GitHub, Slack, Jira, and 7 other platforms. No more manual reporting.
Key: Standups in 10 seconds, not 10 minutes
deepthread.ai

Visora
AI-powered data analytics and insights platform. Connects business data sources, identifies patterns, and delivers actionable recommendations through custom dashboards.
Key: Makes businesses truly data-driven with AI doing the analysis
visora.ai

PrivateTransfer
Secure transfer platform for safe, private financial transactions. Security-first architecture for businesses and individuals.
Key: Encrypted, private transfers you can trust
privatetransfer.ng

SkillPay
Shared payment and commerce backend powering multiple consumer products. Handles payments, merchant accounts, custom links, and bank settlements.
Key: One backend powering 4 live product domains
skillpay.link

AutoCare
Automated service reminder system for auto-mechanic workshops. Tracks customers, vehicles, and service history. Sends automated WhatsApp and email reminders before service is due.
Key: Mechanics never lose repeat customers to forgotten follow-ups
—

BDC System
FX rate and remote settlement platform for Bureau De Change operators. Public rate display, receipt upload, transaction pipeline, and owner analytics.
Key: Digitizes the manual BDC workflow with full transparency
—

BuyMeABeverage
Beverage gifting platform. Get a custom link, share it, and receive beverage gifts from supporters. Payments processed via Paystack.
Key: The simplest way to accept tips and gifts in Nigeria
buymeabeverage.com

BuyMeAShawarma
Food gifting platform with a fun Nigerian twist. Same proven mechanics, powered by SkillPay.
Key: A culturally relevant way to support your favorite creators
buymeshawarma.com
